REQUEST TO PARTICIPATE

May 2005

Dear

Activities and progress of ICHA over the last two and a half years, became possible by your favourable support at all times. We thank you for the encouragement and look forward to your continued participation. Together, we have reached a stage from where we all need to embark together and traverse the journey of excellence in healthcare not only for our country but also make a significant global impact.

You are cordially invited to participate in the "NATIONAL CONVENTION FOR ACHIEVING EXCELLENCE IN HEALTHCARE IN INDIA" being organized by Indian Confederation for Healthcare Accreditation in collaboration with Govt. of India **(We acknowledge with thanks the support provided by WHO India Country Office)** on Saturday, July 2, 2005 from 0900 Hrs to 1800 Hrs at Stein Auditorium, India Habitat Centre, Lodhi Road, New Delhi 110 003.

Your urgent attention to the following is requested: -

1. We suggest at least 2 participants from your esteemed association / institution including you. One nominee be from Delhi as far as possible to facilitate future follow up.
2. WHO is providing limited local cost subsidy as per norms - airfare (for distance of more than 600 Kms) and A/C Sleeper / Shatabdi train fare for shorter distances. However, in view of the limited funds, it has been decided that travel subsidy be provided where ABSOLUTELY NECESSARY and restricted to 1 participant per association / institution on apex fare basis. Please book your journey at the earliest to avail the lowest airfares. We seek your cooperation in this as a partner.
3. NO PARTICIPATION FEE FOR TWO NOMINEES.
4. Requests for additional nominees can be accommodated as DELEGATES depending upon the availability of seats and payment of delegate fee.

We request your confirmation on the format overleaf at the earliest but latest by 30th May 2005.

With warm regards.

Yours truly,

Convention Organizing Committee ICHA.
